

SAINT THOMAS SCHOOL
EXTENDED DAY PROGRAM
REGISTRATION FORM

The St. Thomas School Extended Day Program provides care and supervision for our own students before and after school. Opportunities for study and recreation are provided in a safe environment. Ratios of students to staff will not exceed the state recommendation of 12 to 1. The Program opens at 7:00 A.M. and close at 5:30 P.M.

If three (3) or more kindergarten students apply, we can provide the same supervision to these students for the balance of each day. The student may arrive and return by bus at the usual school hours or be brought privately by car at hours before and after school.

The charge will be \$3.00 per hour with a cap of \$6.00 for families with more than two (2) children. A handbook with complete information is available to those families who register for the program. If you expect to use this service in September (especially the first week of school), please complete this form.
